"Bar-cade" planned for former Annoyance Theatre space

Meet the developer of the "bar-cade" business (a bar with arcade games) planned for the former Annoyance Theater space at 4830 N. Broadway. He will be discussing plans for the space and available to answer questions on **Tuesday, May 12, 6:30 pm at the 46th Ward office (4544 N. Broadway).**

Block Party: August 8

Save the date for the annual NUNA block party on Saturday, August 8, 2015! We plan to close Magnolia from Argyle to the Bezazian parking lot and gather in the street. There will be lots of potluck food, games, fun for kids, and more. One of the best opportunities of the year to meet your neighbors! Look for details on signs and in emails this summer.

Spring Clean-up

Chicago weather couldn't hold back the intrepid volunteers at NUNA's Spring Clean-up on April 25. Teams focused on the areas around Bezazian Library and the post office, as well as the parkway garden at Argyle and Broadway. We also collected a number of books/DVDs and electronics for reuse and recycling.

Even our youngest clean-up volunteers were in good spirits!
